

## QUALITY ASSURANCE CONSTRUCTION INSPECTOR: WEST POINT, NEW YORK

MJ is seeking a full-time Project Engineer with a minimum of 5-7 years of construction related experience. This position provides leadership and comprehensive Construction Management / Engineering support for on-site construction projects at the United States Military Academy (USMA) in West Point New York. The initial assignment is 9 months in length with probable extension based on performance.

**OBJECTIVE:** Provide QA/construction support to field representatives. The following are anticipated job responsibilities and will include, but are not limited to:

- Oversight of the inspectors and coordination and accountability of all projects, administrative and in-field responsibilities.
- Notifies government of discrepancies found during inspections and ensures compliance.
- Interpret plans and specifications for the government and discusses deviations from specified construction procedures to ensure compliance with regulations governing construction.
- Prepare and track construction schedules and requests updates as schedule changes.
- Implement change orders to project when required.
- Review design drawings for constructibility.
- Review / prepares inspection reports, indicating discrepancies and evidence of noncompliance and determining states of construction progress.
- Provide feedback and updates of pertinent day to day site conditions, deficiencies and site discussions with field representatives.
- Implement change orders to project when required.
- Coordinate and perform daily field site visits to verify that work is proceeding with contract documents and approved submittals.
- Provides and reviews submittals, RFI logs, maintenance logs, and other project related materials in a timely manner.

### REQUIREMENTS:

- Must be a U.S. Citizen with a valid Driver's License
- Possess a bachelor's degree in Engineering/Construction from an ABET- accredited college or relevant number of years' experience.
- Have excellent technical writing and communication skill

Pay is based on applicant's ability/experience and will be rated accordingly. MJ offers a very competitive benefit package.
